File. And, finally, a series of adds: Senator Preister to add his name to (LB) 754 and (LB) 755; Senator Hartnett, (LB) 298; Senator Tyson (LB) 298; Senator Smith (LB) 298; Senator Chris Peterson, (LB) 112 and (LB) 505. That's all that I have, Mr. President. (See pages 347-351 of the Legislative Journal.)

PRESIDENT MAURSTAD: Thank you, Mr. Clerk. The Chair recognizes Speaker Kristensen.

SPEAKER KRISTENSEN: Thank you, Mr. President, members of the Legislature. Before I move to adjourn this morning, I'd remind you of tomorrow the State of the Union, I guess the State of the State, we've already heard the State of the Union, the State of the State address tomorrow morning at ten o'clock. We're going to meet at nine o'clock tomorrow morning and we're going to try to take care of a few things that are on Select File that have come down and can get processed. Depending on the length of the address will determine whether we do any work after the address. So if there are members of the administration who are interested in having good government and the process moving along, the State of the State might be shorter so we can do some work later. With that, I'd move that we adjourn until tomorrow morning at 9:00 a.m.

PRESIDENT MAURSTAD: The motion is to adjourn. Those in favor say aye. Those opposed nay. We are adjourned.
